OFFICE OF THE ASSISTANT ENGINEER AND IRRIGATION OFFICER No. 2 SUB-DIVISION, MADHUGIRI.

Notification dated 6th November 1952.

No. 1. (Tanks)—51-52. Whereas it is seen that Kallembella Tank in Sira Taluk has received full supply during this year and whereas it is found necessary to regulate the supply of water to the atchkat lands of the said tank and to determine the portion of wet lands to be cultivated, I, Sri M. Channappa, B.E., Assistant Engineer, and Irrigation Officer, No. 2. P. W. D. Sub-Division, Madhugiri, in exercise of the powers vested in me under Section 6 of the Mysore Irrigation Act, and in pursuance of the decision arrived at the ryots meeting at Kallembella on 5th November 1952 do hereby direct that the atchkatdars shall use water from the tank for the existing *ragi* and *jola* crop and *garden lands* and to cultivate *paddy crop* as follows:—

(1) One watering for the standing *ragi* and *jola* crop.

(2) Three waterings to the garden lands in November, December 1952 and January 1953 from 20th to 30th of each month.

(3) The remaining supply shall be used for the cultivation of the paddy crop on *half* the extent of each individual holding, limiting the minimum to *one* acre of land, excluding the area of garden lands.

The list of survey numbers and the extents which will receive tank water as above along with the detailed programme of water supply will be available with the Sub-Engineer, Sira Section, and with the concerned Sub-overseer, for the information of the atchkatdars.

Any person who intends to cultivate *paddy* using only well water should obtain the written permission of the Sub-Engineer, Sira Section. Any person, holder or tenant, contravening the terms of this notification will render himself liable for punishment under the provisions of the said Act.
